Vaalkannadi

In Kerala, India, Valkkannadi mirrors are considered to be auspicious and are often used in traditional rituals and ceremonies. They are also valued for their craftsmanship and are considered to be a symbol of prosperity and good fortune. They are often decorated with intricate designs and patterns, making them a beautiful addition to any home or office. Hence we are creating the sand art in valkkannadi design as a kerala souvenir.

BLACK SAND PORTRAIT

The background of the image features a stack of books. The top book has a dark brown cover with a large, intricate gold mandala design. Below it, a blue book with a gold floral pattern is visible. A white card with a gold border and a small gold mandala is placed on top of the books. The text "Thankyou." is overlaid in a white serif font, with a small diamond icon above the 'y'.

Thankyou.
